

# YOU ARE THE ONE

March 2004

Verse 1:

C#m            B            A  
The things that You have freely given

B

(I know I don't deserve)

C#m    B            A  
For yet a sinner I was forgiven

B

(You showered with Your love)

C#m    B            A  
For all the times that I've been blinded

B

(You're here to guide me through)

C#m            B            A  
And though I chose to shut You out

(You're here)

Verse 2:

C#m            B            A  
How can Your death be justified

B

(Those nails that pieced Yours hands)

C#m            B            A  
When I'm the reason You were crucified

B

(Those nails upon my hands)

C#m    B            A  
This sacrifice You made just to bring me back

B

(To the place where we first met)

C#m            B            A  
You made me see so now I sing:

Chorus:

E  
You are the One

C#m  
You are the One

A                    B  
Who gave me life to live again

E  
You are the One

C#m  
You are the One

A                    B  
Who died for me so I may gain

C#m    B            A

Eternal life with such a cost

B

(Obedience on the cross)

C#m            B            A  
You bought me back from where was lost
