

# Unthinkable

Travis Gandy

## Verse:

E  
That God would give His Son for me  
B/D#  
I find it hard to believe  
C#m7 A2  
That a gift so great could ever be repaid

But the blood that's flowing from His veins  
B/D#  
Has washed away my guilty stains  
C#m7 A2  
Death was lost and life was gained for me

## Pre-Chorus:

B E/G# A2  
It's unthinkable, but I still believe  
B E/G# A2  
It's unthinkable, but I still believe

## Chorus:

E B/D#  
I've found forgiveness for a life of sin  
C#m7 A2  
You bring me healing in my brokenness

You give me purpose for a life unlived

All in Your blood, all in Your blood
