

## Pressing On

*Philippians 3:14*

### *Verse 1:*

Just wanna say that I love You  
When I stumble, You're always there  
Pick me up, and dry my tears  
And help me stand again

### *Chorus:*

And I'm pressing, I'm pressing on  
Closer to You  
And I'm searching, I'm searching for You  
So much more of You

### *Bridge:*

Yeah, yeah, yeah  
Yeah, yeah, yeah  
Yeah, yeah, yeah, yeah...
