

Closer than Before

Psalm 139

Verse 1:

You search me and know me
Test all my ways
You know when I sit, when I rise
You walk just before me
Preparing the way
You light up the night like the day

Chorus:

Drawing me closer than before
I'm captured by Your love
Forgiven by Your grace
Your Blood took my place
I'm closer than before
Forever in Your hands
There's nowhere I can flee
Your mercy covers me
