

# Love Like No Other Love

Psalm 139

## Verse 1:

You created my inmost being  
You saw me before I was born  
And You made me complete and whole  
My image a reflection of Yours

## Chorus:

Love like no other love  
Grace sweet as summer rain  
Peace like I've never felt before  
All my days I will safely stand  
By Your side, You will never let me go  
You are holding on to me

## Coda:

You are holding on to me  
You are holding on to me (x2)
