

Don't be a Chicken

Don't be a chicken
Don't be a chook
Cluckety-cluck-cluck
Brawk brawk brawk

If you know Jesus
Then don't hide away
Live your life for Him
In the light of the day

No need to be ashamed
When people say you're strange
Remember Jesus died for you
Be proud to wear His name

CHORUS

When somebody asks you
Why you're not the same
Don't be scared to say that
Only Jesus is the way

Be bold when you speak
The world has got to know
How will anybody hear
If the truth won't get out?

CHORUS
