 C F C
On the wings of angels, they fly.

 C F C
My prayers are lifted up high.

 F G C - B - A
On the wings of angels, they fly.

 C - G C
Into God's hands they fly.

My whispers are heard in heaven.

My dreams are seen through His eyes.

On the wings of angels, they fly.

Into God's hands they fly.

So always remember what Christ paid

And never forget when you pray...

On the wings of angels, they fly.

Into God's hands they fly.
