

No One Else

The night of his birth
Angels lit the sky
They proclaimed good news
Singing glory to God in heavenly heights

CHORUS:

There's no one else like Jesus
No one else at all
He's the King of kings
He's the Lord of lords
The Son of Man
The Son of God

For He calmed the storm
Made the blind man see
And He raised the dead
Teaching and forgiving with authority

CHORUS

And he let himself
Be killed on a cross
He suffered and bled
And the earth shook open when he breathed
his last

CHORUS

He could not stay down
The Holy One of God
And scorning death
He rose again to reign above as Lord
