2. Some folks look at the world and say
How can God let things go that way?
They don't see that God is blameless
For all this trouble we're only to blame

But even so, you have to know . . .

3. God always had the big solution
Jesus the cure for all of our sin
We don't understand our Holy God's plans
So trust him and leave it in his mighty hands

But even so, you have to know . . .
