words and music by

The musical score is written in treble clef, key of E major (indicated by three sharps: F#, C#, G#), and 4/4 time. It consists of eight staves of music with lyrics underneath. Chord symbols (E, A, B) are placed above the notes to indicate the harmonic structure. The lyrics are: "Is there real-ly an-y need to wor - ry What I eat or drin k or we- a - r Are you real-ly gon-na live an - y long - er With all your your fus-sing and all of your cares? All day and night Night and day Day and night Night and day 1. 2. I know a girl called Lizzy
 She always wears a fancy dress
 I think she thinks she's a model
 Cause she always needs to impress
 Lizzy saw my clothes from Woolies
 And said to me, "Oh, get with it"
 I said, "It's time you got to know some manners,
 "And I don't really care how I dress" (well, not that much)

3. You'll never see a bird in a mad flap
 But they're always really well fed
 You don't see flowers at the fashion shows
 But they're always really well dressed
 You've got to see that God loves me more
 Than a feathery bird or a smelly flower
 I've really got no need to worry
 Cause I'm always under his care (Oh, yeah!)
